

# How do I get started with the Parent Portal?

You'll need to access the following link in your browser to register. [esd-parentportal.neric.org](https://esd-parentportal.neric.org)

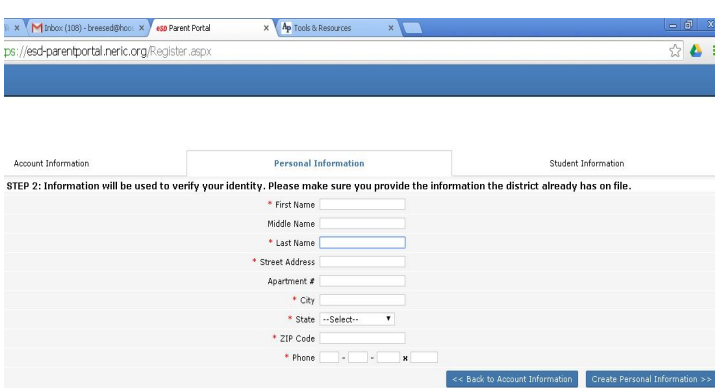

These are screen shots of the 4 screens you will see during the registration process.

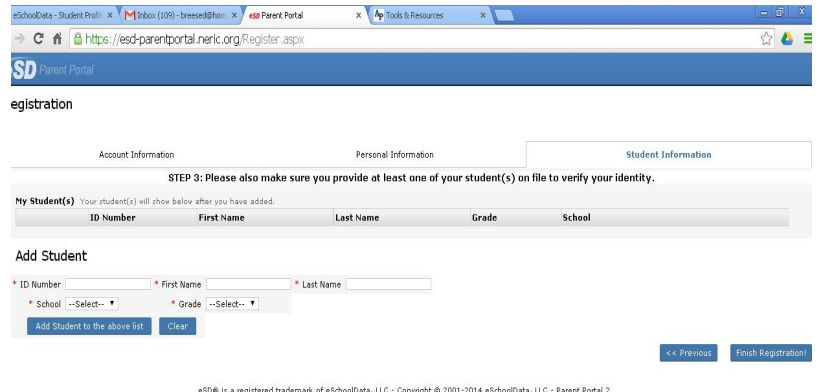

1. Click "Online Registration"

2. Set account Login & Password info

3. Parent/Guardian Information

4. You'll need your child's 9 digit Student ID, which can be found on the front side of this letter.

Upon clicking "Finish Registration" on the final screen you will be sent an email confirming that you have registered for the Parent Portal. Your account will then be in a pending status awaiting us to approve it. Once approved you will get an email confirming your approval and you will then be able to log in to the portal which you will access with the same link as above, only this time you will login with the username and password you created during registration.

Be sure to check your SPAM/BULK MAIL folder, the confirmation and approval messages will occasionally get flagged by some email systems.

Do not do a google/yahoo search for parent portal, you will get another school's portal and will not be able to log in, be sure to Bookmark/Favorite [esd-parentportal.neric.org](https://esd-parentportal.neric.org) or you can access the portal under Parent/Student links on the school's homepage [www.hoosickfallscsd.org](http://www.hoosickfallscsd.org).

Questions on account setup or login issues can be sent to [portal@hoosickfallscsd.org](mailto:portal@hoosickfallscsd.org)

Questions on your student's assignments or grades should be sent to their teacher.
